

**Namaste,**

Winning Awards has become a habit with Maharajas' Express, the World's Leading Luxury Train.

It gives me immense pleasure to inform you that Maharajas' Express has been bestowed with yet another award "Excellence in Luxury" at the Royal India 2013, the Luxury show organized at Dubai in Oct 2013.

"Excellence In Luxury" was achieved due to the impeccable service standards provided at Maharajas' Express to offer Once in a lifetime experience to the guests and it reinstates our commitment towards providing hospitality fit only for the Maharajas.

This honour would not have been possible without the wholehearted support extended to us by the travel fraternity both in India and abroad, the guests who have experienced Maharajas' Express and provided us with valuable feedback, media for writing about us, our partners who provided excellent On-board and Off-board services, and our dedicated team.

I thank you all once again for making this happen.
